To South Park Parents and Scholars:

Scholars may come to school in costume on Tuesday, October 31st. There will be a parade at 2:30 pm on the blacktop facing Farabaugh. Classroom parties will be held prior to the parade. Don't forget to check with your child's teacher before bringing treats.

Parents are welcome and encouraged to attend the parade. You may line the fence and building on the Farabaugh side of the playground. School will be dismissed right after the festivities.

Please remember that costumes should be non-violent in nature and have no blood, guts, or gore on them. Scholars will be wearing their costume all day, so please make sure that they can get in and out of their costume easily to use the restroom.

Halloween is a fun time of year. Let's help our scholars to be safe and have a good time.

Sincerely,

Mrs. Lynne Brunjak
