Scholar: a person who has an aptitude for study

Principal's Message

Dear Parents & Scholars of South Park:

As we wrap up another year at South Park Elementary, I would like to congratulate our third, fourth, and fifth grade scholars and their teachers. What a fabulous effort they gave on the State Tests. We are so proud of the way our scholars persevered.

You make South Park proud.

We have many field trips and special events coming up in the next six weeks. Remember that field trips are a privilege not a right. If your child has office referrals and/or misbehaves in class, they may be excluded from a field trip or activity. Please keep this newsletter handy and be on the look-out for notes from your child's teacher about things happening. When you pay for field trips, this does not include admission for adults or any younger/older siblings. Only South Park scholars may ride the bus to the field trip. We appreciate your help in this matter.

We hope that you have a wonderful summer break and remember to read, read, read. Your brain is a muscle and it must be exercised in order to keep it healthy and growing.

Sincerely,

Mrs. Lynne Brunjak, Principal

PTO Corner

Join us on Monday, May 6th for our last PTO meeting for the school year. We will be voting for officers for next year.

There will be several fundraisers throughout the next few weeks. This is a great way to raise funds for various activities for our school. Also, there are a couple of businesses that support our school when you make a purchase. This includes Baskin Robbins and American Family Furniture. Please see attached flyers for more information. We appreciate all of your support!
